Essential Lima Experience

If you only have a day to explore Lima, start by visiting Downtown in the morning. Go from point 52 to 55 in our map. Return to Barranco for lunch, and check out its bohemian/historical atmosphere through point 28 & 29. Finally, come back to Miraflores and enjoy our suggested walk on your way to Pariwana Hostel.

Lima Like a Local

Explore Pariwana's suggested walk in Miraflores and then visit Barranco's bohemian district. Have Ceviche for lunch at point 13 or 15. At night, go to point 59 to visit the largest water fountain park in Latin America and enjoy its spectacular show - The Magic Water Circuit. Return to point 17 for the traditional and delicious Anticuchos & Picarones. If you decide to take this route, you should take an extra day to visit downtown Lima.
